### Specific event/program sponsorship

- Have a specific event or program where you want to be featured? We have numerous opportunities to showcase your company and can customize a package to suit your interests and needs. Specific events/programs include
  - National Preparedness Month (September)
  - National Cyber Security Awareness Month (October)
  - National Critical Infrastructure Security & Resilience Month (November)
  - annual #CYBERCamp for high school students (week long in July or August)

### Customized sponsorship

- Have other ideas? Let us know! We'll work with you to customize a package!
